The Secretary
London.

Sir.

With reference to your letter of the 12th instant respecting the first entry report Nº 2712 a on the S.S. Tjipanas and in regard thereto I have to state that the breadths of the garboard, main and spardeck sheerstrakes are respectively 53", 46" and 44 inches. as regards the reduced depth of the marcomplate I beg to refer to the Secretary's letters M dated 14th and 23d of August 1903 in reply to my letters on this case of the 4th and 18th of August 1903.

The Manager of the Company being absent at the present the letter of the Owners stating their wish not to fit ceiling on the tanktop has not yet come to hand, but will be forwarded at the earliest convenience. I shall be glad however to receive the Certificates of Classification as soon as possible. The Omission of the ceiling in question has been specified in the builders Contract..

I am. Sir
Your Obedient Servant
J. B. Slebe.
