

S.S. "Portlethen" Abn No 9441

It is submitted that the Aberdeen Surveyor should be requested to state if he is correct in fixing the date of his examination of the Piston Rods, Connecting rods, Screw Shaft & propeller as 18.7.07, seeing that his first date of survey is given as August 30 1907.

The Boiler plan should be returned to the Abn Surveyors as requested.
