Dear Sirs.

With reference to the enquiry contained in your letter of the 10th instant respecting the fees to be charged for the new fabricated vessel s.s. "MONTE PASUBIO" (ex "WAR GLORY") recently launched at the Monmouth Shipbuilding Co's Yard at Chepstow, I have to say that it is concluded the survey held by you during construction of this vessel did not include seeing the details of the specification carried out, in which case the ordinary Rule first entry and classification fees should be charged, in addition to the travelling expenses incurred.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors.
