The Secretary
LONDON.

Sir,

With reference to report N° 4206 re S/S "VERDUN", we regret to inform you that an error has been made in this case

We were called in by M. Collard, agent for Owners on 23th Dec. 1918 to make damage survey on the statement that the vessel was classed at Lloyd's.

We now find that the vessel in question is the ("VERDUN" N° 273) classed with Bureau Veritas. A new certificate C. has been issued (Copy enclosed) and the fees Fra 162.00 have been paid by M. Collard.

Our report N° 4206 will therefore now require to be cancelled.

We beg to remain,

your obedient servants,

The Surveyors,

per

(Signed)

H.R. REID.

This appears to have been a clerical error and should read 273 tons Gross.
