Letter received from the Compagnie Havraise Peninsulaire de Navigation
a Vapour on the 31st. March, 1920.

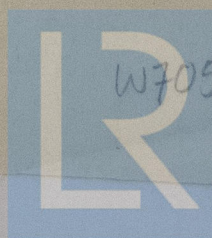

S.S. "VILLE D'ANGER"

Dear Sir,

You were good enough to inform us by your letter of the
26th. instant that the Committee of Lloyd's Register had again
considered the case of this vessel and that in accordance with their
usual custom in similar cases they considered it necessary to make
a record of the casualty against the vessels name in the Society's
Register.

We beg to inform you that we have taken due note of this
communication and we see that should the vessel be refloated and
repaired this record will immediately ^{be} withdrawn after the
reclassification of the vessel by your Society.

We are, etc.
