Dear Sir,

Reverting to your letter of the 18th. and my reply of the 24th. ultimo respecting the Steamer "VILLE D'ALGER" I beg to acquaint you that the Committee have again had the case of this vessel under consideration at their meeting to-day and I am directed to inform you that in all the circumstances it is felt that consistently with the course usually followed in similar instances a record of the casualty should be made against the vessels name in the Register Book, as described in my letter to you of the 14th. February, and this will accordingly be done.

I may add, however that in the event of the vessel being refloated and repaired the notation of casualty will be withdrawn immediately upon reclassification of the vessel by this Society.

I am, Dear Sir,

Yours faithfully,

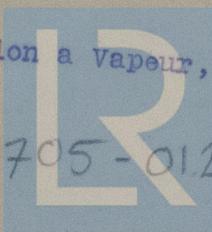

Secretary.

A. Grosos, Esq.,
