Sir,

In answer to your favour of the 5th inst
respecting the Equipment of S.S. "Ville d'Alger"
and "Le de la Reunion".

I have inquired of the Owner's representative who states that, in accordance with his Owner's instructions, the S.S. Le de la Reunion (which is expected to arrive in this port to-morrow, from Madagascar) will land here the lengths of cable intended for the S.S. Ville d'Alger and will then proceed to Le Havre, at which port her own cables (previously landed from the latter) will be placed on board.

The S.S. "Ville d'Alger" will ship her cables in this port at the end of the present month on her voyage Le Havre to Madagascar.

I am, Sir,

Your Obedient Servant
