22nd January, 1913.

Sir,

With reference to your report No.3551 on the steamer "VILLE D'ALGER", I have to state for your information that I am in receipt of a letter from the Society's Surveyors at Havre in which they state that the Owners have ordered 3 new lengths of 8-1/16 chain cable for this vessel. These three lengths however are to be placed provisionally on board the steamer "ILE DE LA REUNION" during her visit to Marseilles.

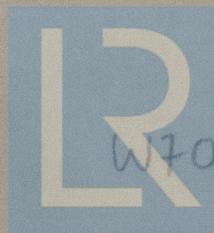

The Surveyor states that as these vessels never meet at Havre the Owners considers it best to have the equipment replaced on the respective vessels at Marseilles and I shall be glad if you will give the case the necessary attention in due course.

I am, Sir,

Your obedient Servant,

Secretary.

P. Jones, Esq.,
MARSEILLES.
