Dear Mr. Farminer,

With reference to the concluding paragraph of your letter of the 1st instant, in which you request that the pumping plan of the s.s. "BRANSTONE" be forwarded to the Newcastle Surveyors, I have to say that the plans in question cannot be found in this Office, and furthermore you only returned 4 plans with your first entry on the vessel. *Which did not include the pump plan*

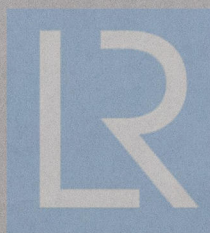

In the circumstances will you please have a thorough search made at your Office for the missing document.

With kind regards,

Yours sincerely,

A. E. Farminer,

IPSWICH.
