Reference

Dear Carey,

I shall be much obliged if you will find out if I sent in the verification freeboard form in the case of the S.S. "GLANMOR", built by, Messrs Colby Bros, the builders were this day enquiring for the Certificates, and on looking through my letter book, I cannot find any trace of having reported the markings, so have enclosed Rpt. 12 so that the Certificates may be forwarded at the earliest opportunity, I shall be glad if you will phone me say at 11 p.m. after you have made enquiries.

With reference to my first entry report on the S.S. "BRANSTONE", sent you on the 29th ultimo, will you please arrange for the pumping plan to be forwarded to the Newcastle surveyors for their guidance.

With kind regards,

Yours sincerely,

A.E. Farmer
