20th September, 1921.

Dear Sirs,

D.

Reverting to my letter of the 21st instant, regarding the case of your Steamer "BRANSTONE", I regret to advise you that as the outstanding fees in this instance remain unpaid, it has now been necessary to give instructions to delete from the Society's Register Book the notations at present appearing against the vessel's name in respect of the contemplated classification.

I am, Dear Sirs,

Yours faithfully,

Secretary.
