Dear Sirs,

Reverting to our correspondence in January last, and especially to your letter of the 13th January, concerning the fees payable to this Society in respect of the special survey during construction of your s.s. "BRANSTONE", I shall be much obliged if you will kindly let me know what course you are proposing to take in the matter, in order that I may be in a position to give the necessary instructions as regards the notation of classification in Lloyd's Register Book, which is now in the press.

I am, Dear Sirs,

Yours faithfully,

Secretary.
