2nd December, 1920.

Dear Sirs,

With reference to my letter of yesterday's date, respecting the completion of the first entry survey of the new s.s. "BRANSTONE", I have to inform you that it is understood that the vessel is to be measured for her tonnages at your port, and I shall be glad if you will forward particulars of the same as soon as possible in order that the account may be rendered for the fees for the survey during construction.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-on-TYNE.
