Enclosure.

21st July 1939.

Dear Sirs,

M

I return herewith one copy of the plan, forwarded in duplicate with your letter of the 13th instant, shewing arrangement of insulated hatch beams for Messrs. Swan, Hunter & Wigham Richardson's Yard No. 1569, and I have to state that provided the arrangements be carried out as shewn and amended thereon and to your satisfaction, they will be approved.

It is considered that the doublings as required by the Rules should be fitted to the ends of the hatch beams to prevent distortion of same.

The duplicate copy of the plan is being retained for reference.

At the same time I have to acknowledge the receipt of your telegram this morning requesting the urgent return of this plan.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
NEWCASTLE.
