CERTIFICATE OF BOILER.

This is to Certify that the Main Boiler
Taikoo Dockyard & Engineering Company of Hong Kong Limited
S. "STATHIS" ex "WAR MINER"
 as below, has been surveyed during construction by the undersigned.
 The material has been tested by the Surveyors to Lloyd's Register; the scantlings
 conform with the Society's Rules for a working pressure of 180 lbs.
per square inch, and the workmanship is good. The Boiler having been
 tested in my presence on the September 22nd. 19 19 by hydraulic pressure
180 lbs. per square inch, showed no signs of weakness, and was
 tight and sound in every respect at that pressure. Working pressure
 does not exceed One Hundred and Eighty lbs. per square inch.

IN BOILER.

 S.M.

G. Morrison

Engineer Surveyor to Lloyd's Register.

Secretary, Lloyd's Register of British & Foreign Shipping.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
 The Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be
 understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy
 in or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the
 Society, or any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
