ENCLOSURES:

1st June, 1921.

Dear Sir,

Messrs. Colby Brothers Ltd., in Liquidation.

A.

Reverting to my letter of the 15th January last respecting the interview I had the pleasure of having with you in regard to the affairs of the above Company, and to the intimation you then made that in the event of it being determined to complete vessels Nos. 106 & 107, which were nearly completed, this Society might look to you for payment of the fees and expenses, I have now to inform you that the s.s. No. 107 (now named "TIDAL") has been completed under the Special Survey of the Society's Surveyors with a view to Classification with this Society, and I accordingly beg to hand you herewith accounts for the fees and expenses due, on payment of which I shall have pleasure in handing you the Classification Certificate.

I may add that all the fees for the survey of the machinery have been paid by the Engineers, Messrs. MacColl & Pollock Ltd., and it now only remains for the enclosed accounts to be settled to permit of the issue of the Classification Certificates.

I have at the same time to say that the new Edition

of the Society's Register Book which will be issued early in July, is now being rapidly returned for Press, and letter "T" of the Book in which this vessel's name appears, will be going finally to Press this week, and in order to permit of the vessel appearing as fully Classed in the new Edition, a remittance in settlement of the enclosed accounts should be received not later than Friday morning's post.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.
