3rd March, 1913.

Dear Sir,

With reference to your enquiry respecting the classification in the Society's Register Book of your steamer "UMBE", I beg to acquaint you that this vessel was recently reported by the Society's Surveyors at Hull to have been supplied with a bower anchor and sixty fathoms of cable to replace what was stated to have been lost in the River Danube on the 30th December last.

I have to add that the above articles of equipment were necessary for the seaworthiness of the steamer and to entitle her to retain the figure 1 in her class.

I am, Dear Sir,

Yours faithfully,

Secretary

Felix de Abasolo Esq.,

BILBAO.
