GLASGOW, C.2.

Dear Sirs,

CONTRACT 1023.

Single-ended Boiler:- With reference to your letter of 22nd inst., returning print of Single-ended Boiler for above Contract, with amendment marked in red, we have considered this amendment, and in view of the distance between the rivets on the straight cut edge of washer next manhole, and the possibility of leakage involved, we would prefer to fit a small doubling plate on the inside, clear of the manhole stay.

1. We enclose a print (flysheet to O.T. 40955), shewing our proposal. We have discussed this with your Surveyor here, and shall be glad to have your approval.

1. We return the original print herewith.

Yours faithfully,

DAVID ROWAN &amp; CO., LIMITED,
