Sir,

With regard to the Registered  
Dimensions given in the "First Entry"  
Report No. 66628 on the S.S. "San Roque"  
the Builders state that the depth  
should be 33.45 & not 33.50, & would  
be pleased to have this correction  
made on the Certificate of Tonnage  
which is forwarded herewith.

Yours, Sir,

Your obedient Servant  
M. S. S. S.
