Dear Mr. Carnaghan,

I find that through a slip the First Entry Certificate for the Hull of the Oil Engine vessel "SEBASTIAN" was sent on Saturday to the Stockholm Office. I have wired to the Surveyor to send it on to you at once, and hope you will get it in a couple of days' time.

This I trust will avoid any inconvenience to the Builders through the non-receipt of the document.

The machinery certificate, as usual in similar cases, will be sent to the Stockholm Surveyor.

With kindest regards,

J. Carnaghan Esq.,

DUNDEE.
