Dear Mr. Scott,

s.s. "ISLEWORTH".- Thank you for your letter of the 23rd inst. with copies of telegrams passed between your Piraeus Surveyors and yourself in regard to this steamer.

The following is copy of telegram from the Captain yesterday and we are now waiting to hear where this steamer is going. I will be in London tomorrow but am not quite sure if I will be at the meeting as I have an important meeting at the West End for the Chamber of Shipping, but if I have time I will come in and see you.

In the meantime Mr. Lochhead, our Superintendent Engineers has gone out to Piraeus, he left on Monday.

Yours sincerely,

[Signature]

P. S. Telegram.- "Expect sail tomorrow after cementing 20 ft stem and bottom forepeak.....off bottom plates set up about 1 foot for 3 feet abaft bulkhead but not holed bulkhead sound but slightly buckled starboard bilge 4 ft. this is only direct leak in Hold.1. "

Vertical handwritten note on left margin.

The Sec
