

24/11/27

BOILERS. 3-OFF

180. LBS. W. P.

FITTED WITH MESSRS J. HOWDEN'S SYSTEM OF FORCED DRAUGHT.

A circular purple ink stamp from Blair & Co. (1920) Ltd. The text around the border reads "BLAIR & Co. (1920) LTD." at the top and "ENGINEERS, STOCKTON-ON-TYNE" at the bottom. In the center, there are three fields: "PLAN No." with the handwritten number "10751", "DATE" with the handwritten date "17/11/27", and "CHECKED BY" with a handwritten signature that appears to be "W.H.".
