LLOYD'S REGISTER,

LONDON.

RECEIVED 1923

ANSW
In reply to your letter of yesterday's date

reference to the completion of new Motor Vessel "ARNUS"

by Messrs. Swan Hunter & Wigham Richardson Ltd., I beg

to state that the vessel was launched on the 14th March, 1922

when work has been suspended.

The engines have been

in the Fitting Shop and are practically ready for placing

on board.

The Builders state they have no instructions to

proceed with the work on the vessel and can give no approximate

date as to when she will be completed.

The First Entry report will be forwarded without

delay on completion of the vessel.

I am, Dear Sir,

Yours faithfully,

Alfred Munro

Secretary,

London.
