LONDON.

Dear Sir,

S.S. "SARANAC".

We have undertaken a contract to construct a new Midship Portion for the length of the oil tanks for the above vessel. This will be an exact duplicate of that recently constructed by us for the U.S. "CADILLAC", and for which plans of Midship Section, Profile and Decks in way of Cargo Tanks and typical Midship Bulkhead were submitted to you on the 18th September 1929, and approved on the 20th September 1929, and shall be glad therefore if you will add this new name to our records.

Yours faithfully,

FOR PALMERS SHIPBUILDING & IRON CO. LTD.
