Dear Sirs,

With reference to the call made at this Office today by your Representative, Mr. Bryant, respecting the reconstruction of your s.s. "CADILLAC", when he handed in a plan of midship section and a specification with regard to the work to be done to the new part of the vessel in way of the cargo tanks, I have the pleasure to inform you that your proposals have been examined and will be approved.

The signed copy of the midship section and the two signed pages of the specification have been taken away by Mr. Bryant.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs. The Anglo American Oil Co.Ltd.,

36, Queen Anne's Gate,

WESTMINSTER, S.W.1.

P.S. I shall be glad if you will let me know when and at what port it is proposed to carry out this reconstruction.
