

PRIVATE & CONFIDENTIAL **COPY.**

H

12th September, 1929.

Dear Mr. Chisholm,

I was duly favoured with your letter of the 9th instant regarding the proposed repairs or re-construction of the Oil Tank Steamer "CADILLAC", belonging to the Anglo-American Oil Co. Ltd., and your remarks have been noted with very much interest.

In reply thereto, however, I may inform you that the Owners have been communicated with on the subject, but it is understood from them that nothing has yet been decided as to the re-conditioning of this vessel.

Thanking you for having called attention to the matter, which will be kept in mind,

I am,

Yours faithfully,

A. Chisholm, Esq.,
HAMBURG.
