Dear Sirs,

We have an order from The Atlas Diesel Co.Ltd., for Stern Gear to be built under your Survey. The Stern Gear is for a vessel which is being constructed by Messrs. Vickers-Armstrongs Ltd., of Barrow-in-Furness.

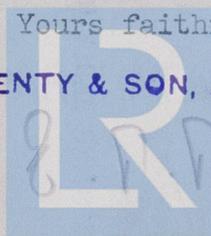

The Engine for which this Stern Gear is required is a Polar Diesel Engine Type M.34.M.

We enclose a drawing of the Stern Gear; the Propeller is of Bronze, and we shall be glad to receive approval of this drawing as soon as possible.

Should you require any further particulars of the Engine, the Atlas Diesel Co.Ltd., of New Oxford House, Hart Street, W.C.1, will give them to you.

Yours faithfully,

Per Pro. PLENTY & SON, LIMITED.
