BARROW-IN-FURNESS.

8th July, 1936.

Dear Sir,

We enclose herewith for the consideration of the Committee, plans in duplicate, of midship section and framing profile proposed by Messrs. Vickers Armstrongs, Ltd., for their Yard No. 726.

This vessel, which has been ordered by Messrs. Jas. Fisher & Sons, Ltd., of Barrow, is a motor coasting vessel of the full scantlings raised quarter deck type intended for class 100A1.

The survey request form will be forwarded in the course of a post.

A copy of the order for the machinery is also enclosed herewith, and we are informed that the request for this will be signed by Messrs. Atlas Diesel Co., the engines are to be built at Glasgow.

We are, Dear Sir,

Yours faithfully,

The Secretary,  
LONDON.
