8th March, 1917.

H. Dear Sir,

With reference to the Special Survey No. 1 which became due in October 1915 on the steamer "PAICHTON" I have to acquaint you that this Survey has been fully carried out as regards the hull, but that to complete the Survey of the Engines and Boilers, and entitle the vessel to the record SLMC 11,16 the safety valves require to be adjusted. The Owners have now informed the Society's Surveyors at Cardiff that the vessel is expected at Glasgow in about a week's time, when the inspection will be completed, and I shall therefore be glad for the case to receive attention.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
