Central Buildings, West Hartlepool.

29th December, 1916.

Dear Mr. Warren,

In reply to your letter of the 28th instant, regarding the testing of the tanks, cofferdams and oil bunkers of the S.S. "PALMLEAF", I beg to state that all of these were satisfactorily tested as required, before the vessel was launched.

With kind regards and trusting you are well.

Yours faithfully,

*D. Miloslav.*
