ENCLOSURES.

71, Fenchurch Street, E.C.

27th December, 1917.

Dear Sir,

With reference to the new steamer "LANDONIA", recently built by the Clyde Shipbuilding & Engineering Co., Ltd., of Port Glasgow, I have to acquaint you that exception has been taken by the Builders to the endorsement on the Certificates "subject to a new HP Cylinder being fitted at the first opportunity", and for your information I enclose herewith copies of the correspondence regarding the matter.

It was thought well to bring the circumstances under the notice of the General Committee at their Meeting on Thursday last, when it was decided to issue fresh Certificates of Classification with an endorsement as follows: "subject to the patched HP Cylinder being examined by the Society's Surveyors within six months."

Kindly return to me the enclosed documents when noted.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,
GLASGOW.
