Dear Sir,

"Molesey".

We are in receipt of your favour of yesterday, and we note all you say about the completion of this steamer's special No.1 Survey. The boat is homeward bound but we cannot tell you at present when it will be convenient to complete the survey; this will depend on the Admiralty's instructions. The Boiler Survey can of course be attended to when the boat gets home.

Yours truly,

Watts & Co. Ltd
