Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

31st January 1916.

Dear Sir,

I have to acquaint you that in November last, the Society's Surveyors at Hull reported that a bower anchor had been taken ashore from the Steamer "FRENCH ROSE" to be repaired, and it was stated that this anchor would be forwarded to London and replaced there. As however, the matter does not appear to have yet been attended to, and I shall be obliged if you will kindly ascertain what further arrangements have been made with a view to the equipment being placed in order.

I am, Dear Sir,

Yours faithfully,

Secretary.

R. Williamson, Esq.,

LIVERPOOL.
