Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

18th January 1915.

Dear Sir,

I have to inform you that a first entry report on the new steamer "NELLY" has been received from the Society's Surveyors at Rotterdam stating that this vessel is proceeding to Glasgow, and that in order to complete the survey the engine and boiler casings require to be riveted up; the boats to be supplied, and the equipment completed.

I shall be glad if you will arrange for the matter to receive attention, and on completion of the survey a report should be forwarded on Form 8 with a view to the classification of the vessel.

The Society's Surveyors at Rotterdam are being requested to state what items of the equipment still require to be supplied.

I am, Dear Sir,

Yours faithfully,

The Secretary,
GLASGOW.
