16th July, 1910.

Sir,

I am in receipt of your telegram as follows:-

S. "Steamer FRIARGATE number 621 vessel under survey for
"damage here please state particulars why class still
"contemplated"

In reply to your enquiry I have to acquaint you that the classification of this vessel is complete, but certificates have not been issued, and the class has not been posted into the Register Book on account of non-payment of fees.

A further application has been made to the Builders in the matter.

I should add that the class recommended is 100A1, subject to the vessel being engaged exclusively in carrying coal, ore or wood while without cargo battens. *LMC 4,10.

I am, Sir,

Your obedient Servant,

R. Williamson Esq.,
LIVERPOOL.
