Dear Sir,

S.S. "GALLIER".

When this vessel was at Havre last month, she entered into collision with the Trawler Mines, and as the "GALLIER" has, unfortunately, since then been sunk, we wish to have from your Surveyor, who examined the damage at Havre, an estimate as to the cost of repairing same damage.

We beg herewith to enclose a copy of the letter we have received from Mr. H.P. Read, your Surveyor at Havre, and shall be greatly obliged if you will kindly instruct him to let us have what we require, viz. - this estimated cost for repairs to damage, as above, as noted in his report, dated December 28th. 1917.

Thanking you in anticipation,  
We beg to remain,

Yours faithfully,

LLOYD ROYAL BELGE (Great Britain) LTD.
