17th July, 1918.

Dear Sir,

M.

I have to inform you that a new steamer named the "ESKMEER" is being built by the North of Ireland Shipbuilding Co., Ltd., for the Brompton Steamship Co., Ltd., of which Company, Messrs. Lever Bros., Ltd., are the managers.

The intermediate bulkhead in the fore hold has been omitted, and the builders have been requested to forward the usual letter from the owners desiring this omission, in accordance with the committee's circular 1382.

The enclosed letter has, however, been received from the builders, in which they suggest that such letter might be obtained by you from Messrs. Hay & Smart, the Owners' Superintendents, and I shall be glad if you will be so good as to give the matter the necessary attention, and endeavour to obtain the letter required.

Kindly return the Shipbuilders' letter with your reply

I am, Sir,

Yours faithfully,

R. Williamson, Esq.,  
LIVERPOOL.
