

Chief Ship Surveyor 24.3.14

Received from Chief Ship Surveyor _____

NAME Steel 5/8" Elmore Rpt. S. 70 No. 1976

marks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey X

It is submitted that before this case receives the consideration of the Committee, this report together with profile should be forwarded to the Newcastle/Tyne Surveyors and they should be requested to indicate the position of the openings referred to, and to state whether the bunkers, to which they gave access, were constructed for carrying oil fuel.
