Dear Sirs:

Referring to conversation over telephone yesterday regarding the "Grangemoor's" No.1 survey, we have to advise you that a considerable portion of the work was carried through at Sharpness recently, and we regret it was not found possible to fully complete the survey owing to an important charter engagement which the vessel was required to carry out with the Italian Government. This engagement will last about 12 months and we trust under the circumstances your Committee will be satisfied with the work already completed and allow the balance to be carried over until the termination of the charter when the matter will have our immediate attention. We shall be glad to hear from you.

Yours truly,

FOR AND ON BEHALF OF  
WALTER RUNCIMAN & CO. LD.
