

Received January 17th 1917

Answered

Extract from letter dated January 13th 1917 received from the
Society's Surveyors at Bergen.

Original letter with "DOROTHY".

Vessel's Name "CAMILLA".

I beg to enclose a letter just received from the Owner of the steamer "CAMILLA" from which you will observe that he desires from you an acknowledgement that the postponement of the class until June next has been granted.
