REC'D APR 20 1917

NCR

2/18/17

of PORT SAID

Port

29th March, 1917

This is to Certify that I have

S ----- T.S.S. "CONDESA"
Surveyed the Boiler and Machinery of the
of Liverpool, No. 1510 in Register Book, and am of the opinion
that the vessel can steam under four Boilers until she arrives at
a port where permanent repairs can be carried out

and that I have transmitted to the Committee of Lloyd's
Register of British and Foreign Shipping, London, a Report
stating that all recommendations made by me in connection
herewith have been carried out to my satisfaction, and that

have Recommended that the record of Machinery remain as at
sent in the Register Book, subject to the Owners arranging for
al to go to a port where permanent repairs can be effected at
earliest convenience.
made in the Register Book in the case of this vessel.

James Macvey

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee, nor the Society, nor under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
