4th January, 1917.

H.

Dear Sirs,

With reference to Hull First Entry Report No.29716 on the S.S."CONDESA" I have to say that it is concluded the cast iron coaling scuttles are fitted on the bridge deck, and that coamings and hatches are fitted to the bunker openings on the shelter deck as required, but I shall be glad if you will state whether this is so.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

Secretary.

HULL.
