Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

Enclosure.

29th December, 1914.

Dear Sirs,

E. I return herewith Sunderland Report No.26242 on the electric lighting installation of the steamer "BEEMAH", and with regard thereto I have to request that you will have the particulars relating to resistance of insulation and to compass adjustment filled in. You should also explain why this report has not been forwarded earlier seeing that the last visit was on the 22nd September last and the report was signed by the Builders on the 9th October.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

SUNDERLAND.
