Lloyd's Register of British & Foreign Shipping,

71, Fenchurch Street, E.C.

2nd October 1914.

Dear Sirs,

With reference to your first entry report No.26242 on the new steamer "BEEMAN", I have to inform you that it is concluded that the tank margin plates are .46" thick, and that the rivets in the frames are spaced as required by the Rules, but I shall be glad if you will let me know if these are so.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
SUNDERLAND.
