The Secretary,
Lloyd's Register of Shipping,
London.

Dear Sir,

With reference to our s.s. "Beechpark", Messrs The Greenock & Grangemouth Dockyard Co's No. 375, we beg to state for the information of your Committee that the omission of the intermediate bulkheads in the fore and after holds is at our request, and in order to meet the requirements of the trades for which this steamer is intended. We presume this will be all in order and noted in the usual way.

Yours truly, *J. & J. Denholm Ltd.*

John Denholm Director.
