Sir,

In reply to your letter of the 26th inst, with reference to the style of the Builder's name for the S.S. "Ballochbuie", I beg to state that Mr. Guthrie now informs me that the correct style of his firm should be The John Guthrie Shipbuilding Co.

I would beg to explain that until recently the yard went under the name of John Guthrie.

Yours, Sir,

*Your obedient servant
James C. Turpin*
