

Received by Chief Ship Surveyor:- 6. 1.17

Single Sc.Sr. " A R D G A S K".

Bry.
Grk.

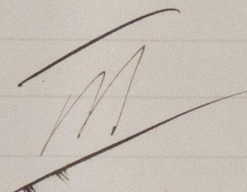

No. 17095

NATURE OF SURVEY:-

It is submitted the Barry Surveyors be informed that this vessel is stated to have proceeded to their port, and in order to complete the survey on the hull & machinery respectively, the tunnel watertight door and the boiler collision chocks require to be examined.

They should be requested to give the case the necessary attention and report in due course.
