1 CATHCART STREET,

GREENOCK 4th March 1920.

Dear Sir,

s.s. "Ardgartan"

An Arbitration is going on to decide whether the loss of this vessel in April last year was due to a War or Marine Risk.

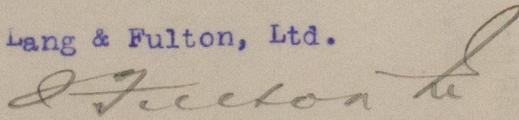

The steamer was drydocked at Swansea that month when sundry damage repairs were carried out under the inspection of the Society's Surveyor, but no damage survey report appears to have been given.

Underwriters solicitors Messrs Parker Garrett & Co, ask us to obtain a certificate from you that after the repairs had been duly executed, the vessel was in a thoroughly seaworthy condition and fit to retain her Classification.

We shall feel much obliged if you will send us a certificate to that effect as early as possible and we shall be pleased to remit any Fee payable.

Yours faithfully,

Lang & Fulton, Ltd.

Director.
