Dear Sir,

We beg to acknowledge the receipt of your letter of the 15th instant respecting the cable certificates of the R.F.A. "Olga".

We have communicated with the Superintendent of Lloyds Proving House, Sunderland, who is furnishing us with duplicates of the missing documents and these will be forwarded to you in due course.

It is regretted that our letter of the 10th instant was not marked "Enclosures" - an omission which may probably be the cause of the documents being mislaid, but we are nevertheless quite certain that the certificates were actually enclosed with Mr Baker's letter.

We are, Dear Sir,

Yours Faithfully,

The Surveyors.
