15th November, 1916.

Dear Sirs,

Reverting to your letter of the 10th instant, concerning the case of the R.F.A. "OLGA", I have to say that no trace of the certificates of test referred to therein can be found in this Office.

In the circumstances I have requested the Superintendent of Lloyd's Proving House, Sunderland, to furnish you with duplicates of the missing documents, and I shall be glad if you will kindly furnish the Superintendent with particulars of the numbers, etc., of the certificates to enable him to do so.

I may observe that your letter of the 10th instant was not marked "Enclosures", and I shall be glad to hear whether you are quite certain that the certificates were actually enclosed with your communication.

I am, Dear Sirs,  
Yours faithfully,

Secretary.

The Surveyors,  
MIDDLESBROUGH.
